Placement Plus participating insurers

Marsh Portfolio Solutions, a specialist business unit within Marsh, earns fees from certain insurers participating in Placement Plus facilities for services that it provides. These services include creating systems and processes to allow insurers to be more efficient when communicating their appetites for our clients' risks; providing technical support during facility development together with the ongoing maintenance of the facility, and the provision of analytical reports and management information in relation to the performance of the facilities. By providing these services Marsh is better placed to drive insurer competition and create additional value for our clients. The fees that Marsh earns for these services are not specific to individual clients' policies.
