Occasional Business Use (OBU) Motor Insurance for Schools, Colleges, and Academies

Summary of Main Features

Schools, colleges, and academies can now cover those ad hoc occasions when employees or authorised voluntary helpers (including governors, parents, or guardians of pupils attending the school) are required to use their own cars on school business.

Cover Provided

Occasional Business Use (OBU) motor insurance cover is provided on a comprehensive basis — protection is provided against legal liability for injuries to other persons (including passengers) or damage to their property following an accident. Passengers' legal liability is also included.

Insurers will pay the solicitors' fees for representation at an inquest following an accident, and will fund the legal costs incurred in defending a charge of manslaughter or causing death by dangerous driving.

In addition, the cost of repairing the car will be met by insurers who will pay up to the market value of the vehicle if it is written off or not recovered following theft. Full windscreen damage cover is also included, with no excess.

Accident Repairs

Policyholders will benefit from the RSA approved repair network. These repairers are backed by a lifetime guarantee on all repair work undertaken.

Cover Included

Spouses — Cover is automatically included in respect of the use of cars on school business by the spouse of any insured member of staff.

Governors — Cover is automatically included in respect of the use of cars on school business by governors of the school.

Parents and guardians — Cover is automatically included in respect of the use of cars on school business by parents or guardians of pupils at the school.

Continental cover — Cover is automatically included within Continental Europe.
