Key Facts

- One of the leading London Construction Practices of some 180 people.
- We design, place, and manage insurance solutions for many of the world's leading projects and construction companies.
- Broker to over half of the UK's top 20 contractors.
- £450 million+ London Market premium placed annually.

Marsh JLT Specialty's Construction Credentials

We are specialists who are committed to delivering consulting, placement, account management, and claims solutions to construction clients across the breadth of building, civil works, engineering risks, and facilities management.

Client Benefits

Specifically we will aim to drive the following benefits to our clients:

SPECIALIST EXPERTISE

Deep understanding of our clients and their industries with extensive product knowledge, market access, and experience in construction insurance.

INSIGHT-DRIVEN

Tailored data and analytic capabilities support clients in making important choices about their complex construction risks.

DIVERSE PERSPECTIVES

We aspire to bring a diverse range of backgrounds, cultures, ideas, and opinions to our clients.

COLLABORATIVE

Exceptional service combined with transparency, integrity, and accessibility underpins our partnerships with clients.

CREATIVE MIND-SET

We consider problems from every angle and challenge the status quo with entrepreneurial ideas and solutions.
