MARSH MARKET INFORMATION (MMI)

Marsh Market Information is designed to make it easier for clients to find detailed insurer and insurance industry market analysis and information. A timely and dynamic one-stop tool, MMI provides easy access to detailed financial information, ratings, news, and analyses clients need in order to evaluate the market security risks of their insurance programs — saving them valuable time and concern.

Marsh Market Information

- #### WHO IT'S FOR
- Risk managers, CFOs, and others with the responsibility to manage their firms' insurance programs
 - Members of compliance and audit committees that are charged with ensuring the integrity of their firms' risk management programs

FEATURES

A LEADER IN ONLINE INNOVATION

It's critical when making decisions about your insurance program to be well informed about the condition of the companies you are considering. The Marsh Market Information platform:

- Provides ratings and outlooks from three major rating agencies — A.M. Best, S&P, and Moody's.
- Helps you analyze your insurance program's overall credit exposure by offering a variety of charts and spreadsheets, that show:
 - Insurer ratings by premiums/limits.
 - Insurer ratings by primary and excess layers.
 - Comparative snapshots of insurer financials.

COMPREHENSIVE FINANCIAL INFORMATION

MMI provides a comprehensive view of various factors and metrics, including:

- Current and historical financial ratings.
- Impact of financial structures such as intercompany pools and guarantees.
- Insurer W-8 and W-9 forms to help you comply with the Foreign Account Tax Compliance Act (FATCA).

CUSTOMIZED ONLINE TOOLS

MMI allows you to analyze your insurance program's overall credit exposure by:

- Managing a portfolio of your insurers.
- Generating custom reports showing how they fit, from a security standpoint, into your insurance program.
- Setting up customized email alerts for:
 - Insurer rating changes.
 - New Marsh financial analyses.
 - Breaking news.

MMI EARNED A SPOT ON 2010 INFORMATIONWEEK 500 LIST OF TOP TECHNOLOGY INNOVATORS

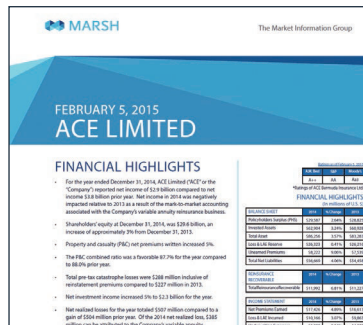

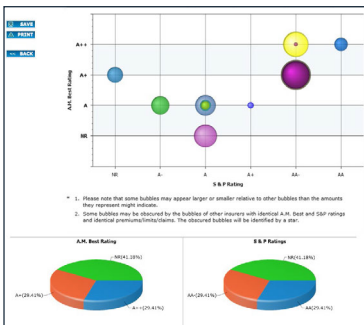

The MMI site was named to the 2010 InformationWeek 500, an annual listing of the nation's most innovative users of business technology.

A senior Morningstar analyst said of MMI:

"The MMI system helps clients to strengthen their due diligence and to meet board and senior level directives that risk management proceed responsibly. MMI saves clients time and money. It saves time by efficiently gathering, analyzing, and presenting information needed for risk management decision making. MMI also saves money by helping Marsh and its clients negotiate better deals with carriers, given the leverage that information about market conditions can provide."
