THE MARSH CAPTIVE SOLUTIONS’ Switzerland office was established in 2002. Zurich offers well-developed infrastructure with all major captive managers represented, offers leading banking, legal, and other services, has a highly skilled workforce, and is an international insurance and reinsurance center. Switzerland is land-locked independent country to the east of France and south of Germany. The official languages are German, French, and Italian; English is commonly spoken. There are frequent direct flights from all major European and US cities are available to Zurich, Basel, and Geneva.

**Applicable Legislation**

**Taxation:**
- Federal tax: Flat tax rate of 8.5% on taxable profit – no tax on capital.
- **Zurich** Cantonal/Municipal taxes: Only 15% of profits are taxable with a progressive tax rate between 8 – 10% multiplied by tax factor 2.2901 (ca 20% on 15% of the profit or 3-3.5% on the total profit). The Capital tax is ca 0.015% of the statutory equity.
- **Zug** Cantonal/Municipal taxes: Only 10% of the profit are taxable with a progressive tax rate between 4 – 8.5% multiplied by tax factor 1.47 (ca 12.5% on 10% of the profit or 1-2% on the total profit). The Capital tax is ca 0.015% of the statutory equity.

**Insurance Regulation:**
Acceptable insurance subsidiaries include reinsurance single parent, direct-writing insurance captives (both life and non-life). Authorized insurers in Switzerland are regulated by the Insurance Supervision Act 17. December 2004, Insurance Supervision Ordinance (ISO) of 9 November 2005, and revised ISO of 1 July 2015. These regulations govern the solvency capital, minimum capital, corporate governance, and reporting requirements.
