RESTAURANT INDUSTRY EXPERTISE

Marsh’s Restaurant Practice is comprised of more than 100 colleagues dedicated to serving the needs of our restaurant clients, with support from additional resources through our brokerage, placement, consultative, and advisory services teams. We look at risks along the complete “farm to fork” continuum of the food and beverage industry, from manufacturing and processing firms to retail and hospitality. This enables our professionals to provide you with unmatched insight into new and emerging risks affecting your organization. Then, together, we can align your risk management objectives with your business strategies and design and deliver effective risk transfer and consultative solutions.

Marsh places more than $95 million in insurance premium annually for our restaurant clients, which include 35% of the Nation’s Top 200 Restaurant Chains, including 6 of the Top 10, as ranked by Nation’s Restaurant News.
