Who do we act for?

As an independent insurance intermediary we generally act as agent of our clients. As such we put the duties we owe to you above our own interests.

We may in certain circumstances handle claims on behalf of insurers. We will advise you when these circumstances occur and inform you of how we will deal with any possible conflicts of interest. We are not an insurer or an underwriter.

Our Services

PLACEMENT SERVICES

Negotiation and Broking

Marsh will act as your insurance broker and/or risk management consultant (as applicable). We will discuss your insurance requirements with you, including the scope of cover, limits sought and cost of cover.

We will keep you informed of our progress and identify where we are unable to obtain all or part of the cover sought by you. We will use reasonable endeavours to implement your insurance program, subject to available insurers, before the intended date of inception, renewal or extension of cover (whichever is appropriate). We cannot however be responsible for the consequences of late instructions or the actions of third parties.

We will provide you with the information you need to make a decision about insurance cover available. All decisions regarding the amount, type or terms of insurance covers shall be your sole responsibility. While Marsh may provide advice and recommendations, you must decide on the specific coverage that is appropriate for your particular

circumstances and financial position.

Marsh does not assume any liability for the effectiveness or completeness of your existing insurance program (if any) or any insurance policies placed by you directly or by another insurance broker or for any acts or omissions occurring prior to the date of commencement of Marsh's engagement.

Market Security

We assess insurers and markets with whom we place business, using public information including that produced by recognised rating agencies. We do not, however, guarantee or otherwise warrant the solvency of any insurer or market used for your requirements. The decision regarding the suitability of any insurer or market rests with you. If you have any concerns regarding any insurers chosen for your insurance requirements you must advise us as soon as possible and we will discuss them with you.

Quotations

Marsh does not guarantee premiums quoted by insurers. All premium quotations are provided by insurers and are subject to subsequent acceptance by insurers, unless otherwise stated. Unless otherwise provided, all premiums quoted include our commission where applicable.

OTHER SERVICES

Marsh may, if agreed by the parties, provide the Consulting, Risk Management and Administration services described in Appendix A, and may charge separately for these services. Such services will, unless otherwise agreed, be subject to, and governed by, the terms of a separate agreement. Unless otherwise agreed, other services (including those relating to health and benefits) shall be subject to, and governed by, the terms of a separate agreement.

Our Respective Responsibilities

Proposal Forms

For certain classes of insurance you may be required to complete a proposal form, questionnaire or similar document. We will provide guidance if needed but we are not able to complete the document for you. In most cases, the information you provide will be the basis of or form part of the insurance policy.

The provision of incorrect or incomplete information may result in the insurer denying a claim or avoiding the policy (cancelling the policy from inception).

Disclosure of Information

You are responsible for providing us or your insurers with the information we request from you to enable us to seek the cover you require. We will not be responsible for any consequences which may arise from any delay or failure by you to do so.

Further, you must disclose to us or your insurers all information which is material to your requirements for cover or which might influence insurers in deciding to accept your business, finalising the terms to apply and/or the cost of cover. You should not rely on insurers to request material information from you. Failure to make such disclosure could result in the policy being rendered void, such that claims may not be paid. This duty of disclosure applies before the start of cover, when all material information must be disclosed to insurers to enable terms to be negotiated and cover arranged. This is not limited to answering specific questions that may be asked. Any material changes which may occur or come to light after a quotation has been given must also be notified to us and your insurers.

The same duty is owed to the insurer before renewal, extension, variation or reinstatement of a contract of insurance. In addition, changes which substantially increase the risk, or relate to compliance with a warranty or condition in a policy, must be notified at once.

You should not rely on casual observation of any material aspect of the risk by us or any other third party as satisfying your obligation to disclose material matters concerning your cover.

Please contact us immediately if you have any doubts about what is material or have any concerns that we may not be aware of material information.

Your Policy

We will use all reasonable endeavours to ensure that your policy documentation is forwarded in a timely manner. Your policy documentation will confirm the basis of the cover, give details of the insurers together with details of the amount of premium.

You are responsible for reviewing your insurance documentation together with other related

documents which may be sent to you from time to time to confirm that they accurately reflect the cover, conditions, limits and other terms that you require. Particular attention should be paid to any policy conditions, warranties and subjectivities as failure to comply with any of them may invalidate your coverage. If there are any discrepancies you should consult us immediately.

Claims

You are responsible for notifying, to Marsh or to an insurer directly (as applicable), claims or potential circumstances that may give rise to a claim. To ensure full protection under your policy, you should familiarise yourself with the provisions of your cover and procedural requirements in relation to claims and to the notification of those claims or circumstances. Failure to adhere to the notification requirements, particularly in relation to timing, as set out in the policy or other coverage document, may entitle insurers to refuse your claim. **In presenting a claim it is your responsibility to disclose all facts which are material to the claim.**

Marsh will, where agreed with you, provide claims handling services ("Claims Handling Services") which consist of:

- (a) assisting with notification to insurers;
- (b) assisting with briefing assessors or loss adjusters of the insurers where Marsh is authorised to do so;
- (c) following up with insurers and other parties in the claims process (e.g. experts, legal advisors and lawyers) if need be; and/or
- (d) where applicable, monitoring and pursuing prompt claims payments as agreed by insurers.

Where we collect claims payments, these will be remitted to you in accordance with any regulatory requirements. However, we will not remit claims monies to you before we have received them from insurers.

Unless otherwise agreed, any claims-related services that we may provide will cease if: (i) our appointment is terminated or we are otherwise not retained in relation to the renewal or replacement of a policy; or (ii) when a dispute arises between us,

which we reasonably believe cannot be resolved.

Change in Circumstances

You must advise us as soon as reasonably practicable of any changes in your circumstances that may affect the services to be provided by us or the cover provided under your insurance policy.

We will advise you as soon as reasonably practicable of any resultant changes in premium or terms and conditions of your policy.

Provision and Use of Information

The services we provide to you are for your exclusive use and all data, recommendations, proposals, reports and other information (collectively, the "Report") provided by us in connection with our services contains proprietary, confidential information and are for your sole use and may not be shared with or relied upon by any third party, unless otherwise agreed by Marsh in writing.

Our Reports may include advice and recommendations; however, all decisions in connection with the implementation of advice and recommendations provided by Marsh shall be the sole responsibility of, and be made by, you. Our services do not constitute, and are not a substitute for, legal or tax advice.

Save as expressly provided for in this Agreement and/or agreed to in writing, Marsh will not be liable to you or to any third party for any decision made or action taken in reliance of the Reports. Any statements concerning actuarial, tax, accounting, or legal matters are based solely on our experience as insurance brokers and risk consultants and are not to be relied upon as actuarial, accounting, tax, or legal advice, for which you should consult your own professional advisors.

Any Report prepared by us specifically and exclusively for you pursuant to this Agreement shall be owned by you. Notwithstanding anything to the contrary set forth in this Agreement, we will retain all copyright, patent and other intellectual property rights in the methodologies, methods of analysis, ideas, concepts, know-how, models, tools, techniques, skills, knowledge and experience owned or possessed by us before the commencement of, or developed or acquired by us during or after, the performance of the services,

including without limitation, all systems, software, specifications, documentation and other materials created, owned or licensed and used by us or other members of the Marsh Group or subcontractors in the course of providing the Services (the "Intellectual Property"), and we shall not be restricted in any way with respect thereto. To the extent any Report incorporates any Intellectual Property, we hereby grant you a non-exclusive, non-transferable right to use such Intellectual Property solely for purposes of utilizing the Report internally in accordance with the terms of this Agreement. Where we are requested to use or incorporate your intellectual property in the provision of the services, you hereby grant us a non-exclusive, perpetual, transferable license to use such material solely for use in connection with this Agreement.

You shall not, directly or indirectly, use, upload or input any Report into any artificial intelligence ("AI") tools, platforms or systems, including but not limited to machine learning algorithms, natural language processing applications or any other AI-based technologies (collectively, "AI Tools"). You further agree not to use AI Tools to analyze, process or derive insights from the Reports in any manner.

Payment of Premium

You will provide settlement with cleared funds of all monies due in time for us to make payment to insurers in accordance with the payment date(s) specified in our invoice or other relevant payment documentation ("Payment Date"). You must also pay any taxes or charges applicable to your insurance policies. Where insurers have specified a premium payment warranty or condition in your policy, your insurers must receive the premium due from you by that date. You acknowledge that failure by you to pay by the Payment Date and/or comply with a premium payment warranty or condition may lead to insurers cancelling your policy. If you do not think that you will be able to meet the Payment Date and/or a premium payment warranty or condition, please contact us immediately.

Client Money

We are required to keep client money separate from our own money. We will normally do this by holding client money in a client bank account.

Any interest earned on client money will, where permitted under the law, be retained by us.

Currency

Where we are able to deal in a currency other than the local currency, we are not responsible for any shortfall in payments, including premiums or claims payments arising from movements in foreign exchange rates.

We may need to convert currency you have sent us into another currency for the purposes of carrying out your transaction. If we have converted but not paid such money to insurers or other third parties (and are not legally obliged to do so) and you request us to return such money to you, then you agree that we will return such money to you in the currency to which we have converted it and at the exchange rate at which we originally converted it. Should we agree to reconvert the currency for you, you will agree to accept re-conversion at the market exchange rate prevailing at the time of re-conversion, less applicable bank charges.

Your Liability for Tax

Marsh is not a tax adviser and consequently makes no representation to you as to your liability or otherwise for tax on any sums that may be paid to you under a contract of insurance. Any information or calculations that Marsh provides about insurance, regulatory and tax issues are based on publicly available information and Marsh's experience derived from involvement in similar matters for other clients. In all instances, Marsh recommends that you seek your own advice on such matters from professional legal and tax advisers. It is your obligation to make declarations in respect of, and to account to any relevant revenue authority for, all insurance proceeds.

Our Remuneration

Subject to any more specific term separately agreed in writing:

- (a) our remuneration is based on commissions which is payable out of premiums paid by you and allowed by the insurer(s) with whom your cover is arranged;
- (b) on occasions, we may be remunerated by commissions and/or a fee ("Engagement Fee").

Where we are to be remunerated by an Engagement Fee, this Agreement will still apply, but in addition we will agree with you the level of the

Engagement Fee and any other matters such as the term of our engagement. You will be responsible to us for the payment of all such Engagement Fees. Marsh may be paid separately by insurers a fee for risk management services related to your cover or be paid a fee for claims preparation or additional claim services.

For insurance programs placed by Marsh, we will, where applicable, provide Claims Handling Services as follows:

- (a) up to twenty (20) hours of claims work in one policy year for no additional charges; and
- (b) for claims work in excess of the twenty (20) hours, in addition to any remuneration otherwise payable under this Agreement, we may be remunerated separately under a further agreement.

For the avoidance of doubt, Claims Handling Services do not include claims preparation services which will generally be the subject of a separate fee and agreement.

Commissions and/or Engagement Fees are fully earned when you instruct us to bind cover for your policy. Unless otherwise provided by law, there will be no return or cancellation of commissions and/or Engagement Fees once you have instructed us to bind cover for your policy notwithstanding that the policy is later varied, terminated or otherwise cancelled and we are entitled to retain or recover from you all commissions and/or Engagement Fees in respect of the full policy period.

In the event of a mid-term adjustment, we may be entitled to further commissions from any additional premium payable.

To the extent an Engagement Fee is agreed between us, any fee we earn from you under this engagement shall be increased in line with inflation by reference to the inflation index published by the Census and Statistics Department upon each annual anniversary of this engagement.

Other Revenue

We (and/or other members of the Marsh Group) sometimes separately receive payments from insurers for services provided to them.

When providing these services to insurers we will always use reasonable endeavours to avoid a

conflict of interest. If we consider that a conflict has arisen, then we shall take no further action on behalf of the insurer unless you agree in writing that we may proceed.

We (and/or other members of the Marsh Group) may receive separate compensation from insurers for providing consulting, technical, data analytics or other services. The services are designed to improve the offering available to our clients, assist insurers in identifying new opportunities and enhance insurers' operational efficiency. The scope and nature of the services vary by insurer and geography.

We (and/or other members of the Marsh Group) may also act as reinsurance brokers to underwriters with whom we have placed insurance or reinsurance and may receive remuneration by fees and/or commissions for so doing.

It may be appropriate for us to use a member of the Marsh Group or another intermediary (located inside or outside Macau) to assist us in fulfilling your insurance requirements. These companies may receive additional remuneration for the services they provide.

At your request, we will disclose to you in writing the remuneration we (and/or other members of the Marsh Group) receive in respect of your policy. To the extent that such other remuneration cannot be indicated in cash terms, then we will explain the basis for its calculation.

You can find out more about how we are paid by visiting our Transparency & Disclosure webpage- <https://www.marsh.com/hk/about/about-marsh/transparency-and-disclosure.html>.

Insurance Solutions

Marsh offers a range of proprietary insurance solutions, each of which is designed to address profile-specific risks of our clients. Marsh may place your insurance policies through an insurance solution set up by Marsh (and/or other members of the Marsh Group) with selected insurers. Marsh (and/or other members of the Marsh Group) may receive compensation for creating, administering and/or providing services to insurers for the use of these solutions. The compensation is not specific to individual policies and is in addition to any other fee or commissions Marsh (and/or other members of the Marsh Group) earns. Use of an insurance solution is subject to the sole discretion of Marsh's

clients.

Termination of this Agreement

This Agreement may be terminated by either party giving 90 days' notice in writing to the other party. Subject to payment of any outstanding remuneration due to us, Marsh will assist in arranging a smooth transfer of your business. After termination, unless otherwise agreed, Marsh will cease to handle claims relating to policies placed by Marsh on your behalf.

Limitation of Liability

Unless otherwise agreed in writing (in a statement of work or otherwise), the maximum aggregate liability of Marsh and any other member(s) of the Marsh Group (whether to you, your affiliates and/or any other third party) relating to or arising out of this Agreement or the services provided under this Agreement shall be limited in total to:

- (a) for insurance broking services, the amount of HK\$40 million; or
- (b) for any other services, the amount of one times the remuneration for the relevant services giving rise to such liability.

This limitation applies to all causes of action including, without limitation, breach of contract, breach of warranty, negligence, strict liability, misrepresentation and other torts.

In no event will Marsh or any member of the Marsh Group be liable for any indirect, special, incidental, consequential or punitive damages or for any lost profits or other economic loss relating to, arising out of or in connection with this Agreement or the services provided under it.

This clause will not apply to any liability arising as a result of fraud or wilful default on the part of Marsh or any member of the Marsh Group nor to any liability which cannot lawfully be excluded or limited.

Electronic communications

We may communicate with each other by electronic mail, sometimes attaching further electronic data. By consenting to this method of communication we and you accept the inherent risks (including the security risks of interception of, or unauthorised access to, such communications, the risks of

corruption of such communications and the risks of viruses or other harmful devices). Notwithstanding that we and you have reasonable virus checking procedures on our system, you will be responsible for virus checking all electronic communications sent to you. You will also be responsible for checking that the messages received are complete. In the event of a dispute the records maintained in the Marsh system shall be deemed definitive in respect of electronic communications and documentation passing between us.

Confidentiality

We will treat any information in our possession which relates to your business as confidential or as otherwise provided for in this Agreement. It will be necessary for us to disclose information that you consider confidential to insurers or other parties, when acting on your behalf, where we reasonably consider such information to be material to the risks being covered, or for internal review and audit purposes.

Should you fail to return the PICS to us duly signed by relevant personnel, you will be deemed to have obtained all required consents to transfer personal information to us for processing once you have transferred any personal

information to us.

Document Retention

Marsh may retain documents for business effected on your behalf in electronic form or paper in accordance with its document retention policy in effect from time to time. Thereafter we may destroy documents without further reference to you.

In relation to certain classes of insurance, it is possible for claims to be made long after the policy has expired. It is therefore important that you keep your policy documentation safely for such time as you may be able to make a claim under the policy.

Data Protection and Data Security

You and Marsh will observe the provisions of any data protection or privacy legislation as applicable from time to time. This includes any obligation, if any, for the provider of personal data to obtain any required consent(s) in respect of the transfer of personal data to the recipient by the provider or any third party that is subject to applicable data protection or privacy legislation and any obligation with respect to the use, disclosure on a transfer by the recipient of personal data necessary to carry out its obligations under this Agreement.

Marsh (or other members of the Marsh Group) may in some instances receive compensation for its analytics offerings from clients and/or insurers.

Where applicable or permitted under the law, Marsh may share with other members of the Marsh Group and/or prospective insurers information about your upcoming insurance renewals to help insurers identify opportunities to compete for risk. Marsh shares the information as part of its insurer consulting offering, which is designed to help insurers expand their own offerings and create superior solutions for Marsh clients. We and the insurers may also pass information to financial and other organisations involved in fraud prevention.

You acknowledge and agree that Marsh is unable to provide broking, risk consulting, claims or other services or provide any benefit to the extent that the provision of such services or benefit would violate applicable laws or expose Marsh or the Marsh Group to any sanction, prohibition, or restriction under United Nations Security Council Resolutions or under other trade or economic sanctions, laws or regulations, and that Marsh may, immediately upon written notice to you, terminate this Agreement or any particular services (or any part thereof) if we determine that such services would fall within the ambit of the foregoing.
