14. DUTY TO DISCLOSE MATERIAL INFORMATION

'Material information' is information that would influence an insurer in deciding whether a risk is acceptable and, if so, the premium terms and conditions to be applied. Insurers cannot avoid or repudiate claims for the cover required under the minimum terms but, if they later find you have not disclosed something material, they may charge an additional premium or, in the event of prejudice, seek recovery of the claim from you. For claims above the statutory minimum limit, failing to disclose such information could result in policy being rendered void so that claims would not be paid.

All material information must be disclosed to the insurer to enable terms to be negotiated and cover arranged. This is not limited to answering specific questions that may have been asked in this proposal form. Any changes that may occur or come to light after a quotation has been given must also be notified.

To ensure the cover is not prejudiced, please refer to your broker if there is any doubt as to what information needs to be disclosed. If your proposal is a renewal, it is likely that any change in facts previously advised to insurers will be material, and such changes should be highlighted. If you are in any doubt as to whether a fact is material, you should disclose it.

15. DECLARATION

I/We hereby declare that:

I/We undertake to inform insurers of alterations to this proposal occurring before completion of a contract of insurance. I/We are satisfied that after careful enquiry of all Partners, Principals, consultants and employees of our firm, the above details are correct to the best of our knowledge and belief and that we have not suppressed or misstated any material facts. I/We understand that any fraudulent suppression or fraudulent misstatements of any material facts will be reported by insurers to the Law Society of Ireland. I/We authorise prior insurers of our firm to release to our broker any information that they may require, including all claims information that may be requested by insurers pursuant to this proposal for insurance. I/We understand that the information I/we provide will be passed to or used by our broker and by insurers for the purpose of providing insurance, underwriting, processing, claims handling and preventing fraud.

I/We acknowledge that, by submitting this proposal, I/we hereby consent to insurers carrying out any enquiries into our financial standing (including, but not limited to, a credit search with one or more (licensed) credit reference or fraud prevention agencies) to check our identity and credit status. Such enquiries may be made either before or during the existence of the contract of insurance.

I/We acknowledge and agree that, by submitting this proposal, I/we hereby consent, in the event of the legal practice carried on by me/us ceasing during or on expiry of any period of insurance provided by insurers, to our broker or insurers or the Special Purpose Fund Manager requesting and obtaining data (including but not limited to personal data as defined in the *Data Protection Act 1988* and the *Data Protection (Amendment) Act 2003*) from relevant regulatory bodies, and to our broker or insurers or the Special Purpose Fund Manager processing such data for purposes in connection with providing run-off cover in accordance with the insurance policy conditions and/or regulatory requirements on such cessation.

I/We acknowledge that, by submitting this proposal, I/we hereby consent to our brokers or insurer providing, on request, the Law Society of Ireland with evidence of my/our insurance cover, and a copy of this proposal form and any accompanying documentation.
